# CROWN & ANCHOR WHEEL

## Items Include:

- 1 metal base
- 1 crown & anchor wheel
- 1 denim cover
- 2 mats

## Instructions for playing:

Set up two tables in an L shape. Lay one mat on each table. Center the wheel behind the tables. Bets are placed on any of the six designs. Spin the wheel. When the wheel stops, the payout is according to the position of the clapper. Example: if the clapper lands on crown, spade or diamond...then each person who placed a bet on one of those designs would receive even money back...ie: bet one token...paid back one token. If the clapper stops on three crowns, then each person who placed a bet on a crown would receive three to one...ie: bet one token...paid back three tokens.

**HINT – ALWAYS COLLECT FROM THE LOSERS FIRST, THEN GO BACK AND PAY THE WINNERS**
