DUCK POND

PARTS INCLUDE:

TANK

METAL TANK STAND

RED & WHITE STRIPED TANK APRON

2 METAL SIGN POLES

WOODED DUCK POND SIGN

PUMP

24 DUCKS IN MESH BAG

INSTRUCTIONS:

Place metal tank stand on the ground.

Sit the tank on the tank stand.

Attach the red & white vinyl apron to the front and sides of the tank.

Slide the wooden Duck pond sign onto the metal poles.

Place the pump on the bottom of the tank, check the drain cap to make sure it is closed, fill the tank with water.

Connect the pump to power. This will cause the pump to circulate the water.

Add the plastic ducks to the water.

When finished using, unplug the pump from power before emptying the tank of water.

Place the ducks back into the mesh bag.

SAFETY PRECAUTIONS:

If you have any amount of water in the Duck pond, make sure you never leave it unattended.
